Dear Ms. Rubin:

Thank you for your letter sharing with me your continuing concerns about the issue of using sludge to fertilize fields. I appreciate hearing from you.

I understand your strongly held views and have forwarded your comments to the House Committee on Energy and Commerce which has jurisdiction over the Environmental Protection Agency (EPA). I have asked the committee to keep your concerns in mind as legislation on this matter is considered.

Thank you again for your letter. Best wishes.

Sincerely,

Frank R. Wolf
